## We remember ACC CVT member Janice Ryckley

In February the SC Chapter of the ACC lost a great friend and very active member of the cardiology community. Janice Ryckley passed away on February 25, 2019. She had a very decorated military career, years of service as a Registered Nurse and Nurse Practitioner, and was a loving wife and mother. Janice was a beacon of happiness at every meeting and throughout her life. We continue to remember her and pray for her family.
